ID Card Printing Made Easy

Get everything you need to start printing IDs in one box!

Fargo HDP5000 ID Card Printer

The Fargo HDP5000 printer features high definition printing technology, printing cards with high-quality images and increased durability. The high-volume printer's modular design allows the system to grow with your business.

PRINTER HIGHLIGHTS:

- Fast reverse transfer printing produces full color cards in 38 seconds
- · High definition printing results in clear, detailed images
- Built-in Ethernet connectivity for multiple users
- 3 year manufacturer warranty covering parts & labor, 1 year loaner printer, plus unlimited print head warranty

OPTIONAL UPGRADES:

Optional warranty upgrades are available to extend coverage up to 5 years. Significant discounts are available within 60 days after your printer ships – ask for more details!

ID Card Software

With AlphaCard ID Suite software you can design, print, and manage ID cards and badges for any professional application. Whether you're implementing a basic photo ID program or issuing multifunctional ID badges, AlphaCard ID Suite provides you with the necessary tools to achieve your goals.

SOFTWARE FEATURES:

- Available in five different editions
- Customizable record layouts
- Advanced card design tools

See back for comparison details

- Full Color Ribbon

- Blank PVC Cards

- Digital Camera
